

CERES PROJECT
Clean Energy from Yorke Peninsula

CERES Project Information Days

The CERES Project is holding a series of information days to help keep everyone informed about the project, the development application and answer any questions you may have.

Unfortunately, there is quite a bit of misinformation circulating and we are keen to let you know firsthand exactly what is happening.

- **Wednesday, 16th January, 5pm - 8pm, Port Vincent Bowling Club, Talbot Road, Port Vincent**
- **Saturday, 19th January, 1pm - 4pm, Port Julia Community Hall, next to the oval, Port Julia**

Please note there is a maximum of 25 people per session, with sessions running approximately every half an hour. This is to help ensure public safety, genuine engagement and the opportunity to ask questions of the team.

This is a great opportunity to access information about the project, benefit from the real information and facts and register your interest in future business and employment opportunities.

For more information please visit our website www.theceresproject.com.au
